Forecast For East of England
Issued by Met Office Exeter
at 0400 on Tuesday 01 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Warm with hazy sunshine on Wednesday. Possible showers later.

Today:
Dry, sunny, and warm, although eastern coasts cooler with the onshore breeze. Sunshine becoming hazier during the afternoon with a risk of very isolated heavy, thundery showers into the evening. Maximum temperature 27 deg C (81 deg F).

Tonight:
Thundery showers becoming more widespread during the evening before easing slowly after midnight. Most parts will be dry by dawn, with mist and fog patches forming. Minimum temperature 9 deg C (48 deg F).

Thursday:
Mist and fog soon clearing to leave a fine sunny morning. However, cloud will build into the afternoon with thundery showers once again developing. Maximum temperature 28 deg C (82 deg F).

Outlook for Friday to Sunday:
Frequent heavy or thundery showers on Friday and feeling fresher. Largely fine and dry Saturday and Sunday, with long sunny spells, but cloudier in the east with coastal fog.
